Thank you for your support.

“Self Memorial Hospital. . . A debt of gratitude to the community that has been good to me.”

James C. Self

On April 16, 1944, devastating and deadly tornadoes heavily damaged Greenwood Hospital. The very next day, Mr. James C. Self, a local business leader and philanthropist, announced that he would build a new hospital for the community.

Funded by the Self Foundation, Mr. Self personally oversaw the construction and recruited top physicians from across the U.S. Self Memorial Hospital was built to be one of the most advanced hospitals in the country and was given as a gift to provide the best healthcare for Greenwood and surrounding communities.

Self Memorial Hospital treated its first patient on November 1, 1951, and Mr. Self’s commitment to advanced care and philanthropic support continues to this day through our 1951 Club and the generous support of our donors.
