About us

Self Regional Healthcare Foundation funds health related programs and projects at Self Regional Healthcare, a not-for-profit, regional referral hospital that provides care to residents of Greenwood, Abbeville, Laurens, Saluda, McCormick, Edgefield and Newberry counties. Services include prevention and wellness, acute care and tertiary care services including cancer care, neurosurgery, heart and vascular surgery, NICU, orthopedics and genetics. Self Medical Group is its employed physician affiliate network of 33 practices and more than 115 physicians.

Thank you for your support.

An Invitation

You are cordially invited to become a member of the Madame Curie Society, a select group of caring and involved community members who have made a personal pledge to promote healthcare excellence in our community. The compassionate individuals united by this honorary distinction share a profound commitment to Self Regional Healthcare and to its tradition of quality in healthcare services.

On April 16, 1944, devastating and deadly tornadoes heavily damaged Greenwood Hospital. The very next day, Mr. James C. Self, a local business leader and philanthropist, announced that he would build a new hospital for the community. Funded by the Self Foundation, Mr. Self personally oversaw the construction and recruited top physicians from across the U.S. Self Memorial Hospital was built to be one of the most advanced hospitals in the country and was given as a gift to provide the best healthcare for Greenwood and surrounding communities.

Self Memorial Hospital treated its first patient on November 1, 1951, and Mr. Self’s commitment to advanced care and philanthropic support continues to this day through the generosity of our donors.

The Madame Curie Society offers a unique opportunity to share in this tradition of people helping people. Madame Curie was a daughter, a wife, a mother, a scientist, a physicist. She was a pioneer whose work led to the discovery of elements that are vital to the work that Self Regional Healthcare performs everyday.

Her gift to mankind has given physicians and nurses one of the most important weapons to diagnose, treat and fight illness, injury and disease. Her gift has endured through time, just like gifts of our generous donors to the Madame Curie Society.

As a member of the Madame Curie Society, you are supporting the one charitable organization in the Lakelands that serves more of your friends and neighbors than any other.

Membership

Invitations to join the Madame Curie Society are extended to those who accept the challenge to support Self Regional Healthcare through a single gift of \$10,000 or more, or through a minimum pledge of \$2,000 annually over a period of five years.
