What Is The Team Member Campaign?

Our Team Member Campaign is the giving club through which the hospital family can show its support. By making a gift, Team Members have the satisfaction of knowing they are doing something important for Self Regional Healthcare and the community we serve.

The Our Vision Is 2020 Campaign begins now!

In the coming months, Self Regional Healthcare will be unveiling a new master facility plan that will once again transform the hospital campus. The new plan will likely enhance several vital service lines including the Women's Center, Ambulatory/Outpatient Services, and Emergency Services. While the details are still being worked on, we know that the funding for these projects will come from two areas: cash reserves that have been set aside knowing that these improvements were on the horizon and philanthropy from the community.

In support of this new vision for Self Regional Healthcare, the Foundation will be announcing its next campaign in 2017: Our Vision Is 2020. The aforementioned projects have the potential for touching each of our lives, the lives of our families and the lives of some 250,000 residents who call Greenwood and the Lakelands their home. Our Vision Is 2020 Campaign is in the early stages of development. However, enlisting the support of our Team Members early in the Campaign is critical to our future success in our community fundraising efforts.

Why should Team Members Give?

When our community volunteers are out asking for support, one of the most common questions asked is, "What's the Self Regional Healthcare family doing to support the Foundation?" Last year more than 650 Team Members contributed to the Foundation. Your generosity generated almost \$230,000 in charitable support! When people in this community learn of the generosity of our Team Members, they are astonished. None of us are surprised and that's because Self Regional Healthcare Team Members don't just make a living...they make a difference in the lives of our patients and their families!

Help us focus Our Vision is 2020

Help us focus on the year 2020 by becoming a Team Member Contributor today! The easiest and most popular way to contribute is through payroll deduction. Your after-tax payroll deduction will come out of your pay check each pay period or once if you select the "one-time" deduction option. Your payroll deduction will begin as soon as your pledge form is processed, unless you provide an alternate start date.

We hope you will give over the next three years in support of Our Vision Is 2020 Campaign. You may change your level of contribution at any time by contacting the Foundation.

I proudly pledge to Self Regional Healthcare Foundation.

Name: _____

Team Member ID#: _____

Department Name: _____

Extension #: _____ Date: _____

Signature: _____

- Unless otherwise stated in writing by the donor, payroll deductions will begin when your pledge is processed by the Foundation and will continue as directed by your pledge selection
- PTO hours will be deducted once your pledge is processed by the Foundation (or the first of October if you chose annual PTO donations)

Gifts to the Foundation are tax-deductible. A receipt will be mailed to you annually. To change your gift or choose other payment options, please contact the Foundation office at 864-725-4256.
