

Nancy Moore Thurmond

MEMORIAL FUND

Friends of the family of Nancy Moore Thurmond, touched by her tragic death, wished to establish a legacy in her honor that would have a lasting benefit to the people of the Upper Savannah Region. Because Miss Thurmond was born at Self Regional, it seemed fitting that this tribute be made here, and especially that it benefit our Childbirth Center.

All gifts to the Rocking Horse Honor Roll go to the Nancy Moore Thurmond Memorial Fund, which supports the services of the Childbirth Center of Self Regional Healthcare. By honoring a loved one in this special way, you are helping the staff of Self Regional Medical Center fulfill our commitment to making childbirth safe and happy for the many families of this area.

HEALTHCARE FOUNDATION

Rocking Horse Honor Roll

Silver Medallion

A Special Celebration

The birth of a new baby. What a time of great joy and celebration! And now Self Regional Healthcare Foundation is pleased to offer a very special way for parents, grandparents and friends to commemorate this wonderful event. The Rocking Horse Honor Roll is a unique tribute that, unlike flowers or clothing, will last a lifetime.

Of course newborns aren't the only ones who may be recognized on the Honor Roll. Adults, teens and toddlers may all enjoy this gift of love whether they were born ten days or ten years ago.

Your Gift of Love is a Gift of Life

Proceeds from Honor Roll donations go to the Nancy Moore Thurmond Memorial Fund, which is used to sustain and enhance newborn services and equipment at Self Regional. Literally a gift of life, your commemoration results in top quality care for tiny, frail newborns being cared for by the life-saving technology and skilled hands of our Neonatal Intensive Care Unit staff. It funds educational programs on newborn care, breast-feeding and infant immunization. And it supports bereavement services for parents who have suffered the heartbreak of losing a child.

Honor Roll Recognition

With a minimum gift of \$100, we will place a beautiful satin silver medallion etched with the actual footprint, name, and date of birth of your baby on the Rocking Horse Honor Roll in the Childbirth Center. A duplicate medallion with a lucite easel for free-standing display will also be presented to the donor.

A Beautiful and Lasting Memorial

Memorial medallions are a beautiful way to pay tribute to children who live on with us in our memories. With a satin gold finish, memorial medallions are inscribed with the child's name, footprint, date of birth and date of death. This is a special way to cherish the memory of a precious loved one.
