Our Vision is 2020 Campaign Update

ISSUE 3 MAY 2020

Dear Friends and Supporters:

It is hard to imagine how much our society and our world has changed in just 2 months. COVID-19 has changed virtually every aspect of how we live our lives. One thing that hasn't changed is the importance of having a premier healthcare provider like Self Regional right here in Greenwood and the Lakelands region.

Self Regional Healthcare and the entire team continues to serve on the frontline in the response to the COVID-19 virus. We are indebted to the heroes who work at Self Regional. At the same time, we're also grateful to a community that cares deeply about its hospital. The outpouring of support from area businesses and individuals that have made generous gifts of masks, surgical gowns and other vital medical supplies has been incredible. You'll see the names of these caring donors in this report. On behalf of the Self Regional Healthcare Foundation, we say thank you!

In this report, you will also see a partial list of our donors that have made gifts to Our Vision Is 2020 Campaign. As you may know, our Foundation set a minimum goal to raise \$7.5 million by September 30, 2020. We are pleased to report that our Campaign has generated almost \$8.5 million! What's more, the Foundation has already given \$3 million to Self Regional as part of its commitment to help fund the renovation of the Childbirth Center and Surgery Center at Self Regional. The third piece to our Campaign was renovation of our Emergency Department. That project is on hold for now. We will have more information about this project later this year.

The Self Regional Healthcare Foundation is grateful to you for caring to make a difference in the future of healthcare in our community. Truth is...Self Regional wouldn't be the stellar healthcare provider that it is today without support of caring people and businesses like you. We thank you!

We invite you to stay connected with us by following us on our social media platforms: www.selfregionalfoundation.org or on Facebook at Self Regional Healthcare Foundation.

If you wish to make a gift to the Foundation, you can do so online by going to www.selfregionalfoundation.org and click on Donate Now. Your past support has been critical. Your continued support will be more important than ever before.

All of us at Self Regional Healthcare continue to respond to this pandemic, but we are far from being over COVID-19. Our thoughts and prayers are with you, your family, your friends and your co-workers. We urge you to be safe in the days and weeks and months ahead.

Sincerely,

Laine Orcutt, Chair

Each year the SCHA honors Healthcare and Nurses Week in special ways, and with the unique crisis we currently face due to the COVID-19 outbreak, they came up with the idea to take this state-of-the-art message display truck to hospitals across the state all week long.

OPERATION: AMERICAN RESOLVE

On April 27th, Self Regional Healthcare team members, as well as other members of our community gathered to watch the SC Air National Guard's 169th Fighter Wing fly over Self Regional as part of the **US Air Force's OPERATION: AMERICAN RESOLVE** to salute healthcare workers and first responders on the front lines of the COVID-19 pandemic. Two Swamp Fox F-16 fighter jets flew over Self Regional and other area hospitals throughout South Carolina in an effort to boost morale for essential healthcare providers. Thank you to the SC Air National Guard for supporting our healthcare workers!

The Self Regional Healthcare Foundation held their 32nd Annual Mid-Winter Ball on February 29, 2020. This black tie event included a silent auction, live auction, gala buffet, open bar, live music and dancing at the Greenwood Country Club. More than 700 attendees enjoyed being in "A Southern State of Mind" to help raise funds for the Foundation's Our Vision Is 2020 Campaign. Thank you to our sponsors and to all that came out for Greenwood's social event of the year!

Countybank Foundation Makes "Over the Top" Gift to Self Regional Healthcare Foundation

Just six weeks after the Self Regional Healthcare Foundation celebrated its 35th anniversary, Countybank Foundation, on behalf of Countybank and Greenwood Capital Associates, made a gift of \$150,000 to lift the Foundation over its minimum fundraising goal for the Our Vision is 2020 Campaign. "We cannot thank Countybank and Greenwood Capital Associates enough for this very generous gift. We are celebrating SRHC Foundation's 35th anniversary and Countybank Foundation has been a steadfast supporter since our inception in 1985. Countybank and Greenwood Capital Associates have contributed more than \$650,000 to help SRHC Foundation meet Greenwood and the Lakelands region's healthcare needs. What a fitting way to honor Countybank and Greenwood Capital Associates' past and ongoing support," said Ken Coffey, Executive Director of the Self Regional Healthcare Foundation.

"Our organizations strongly believe having a premier locally-owned healthcare system like SRH in our community not only benefits every business, large and small, but most importantly every person in our region. We are thrilled to be in a position to invest in what we believe is one of the Lakelands' most important assets," said R. Thornwell Dunlap III, President and CEO of Countybank.
