The Tradition Continues

Each year, Self Regional Healthcare Foundation brings together hundreds of friends and supporters for our annual Mid-Winter Ball. This signature event raises essential funds to help Self Regional Healthcare meet the needs of our community and the Lakelands region.

We Are Going Virtual

With health and safety as our top priorities, we introduce MASK-erade, a Live Stream event. As it has every year, your gracious support will benefit the work and efforts of the Foundation to provide exceptional healthcare services.

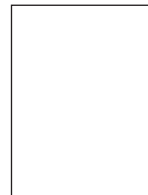

33 Years & Going Strong

We may be online but our live stream event will still consist of our fabulous silent auction, a not-to-be-missed live auction and something new: a chance to win big with our raffle. Plus you'll get to preview all the silent and live auction items a week before the event. You'll be amazed at the incredible gifts, unique items and exclusive, one-of-a-kind experiences. Best of all, you can join in all the excitement and fun from the comfort of your own home.

So mark your calendar now for our Mid-Winter Ball 2021 virtually! We cannot wait to share what we have in store!
