OUR VISION IS 2020 CAMPAIGN

SELF REGIONAL
HEALTHCARE FOUNDATION

2020 Donor Report

Welcome

Dear Friends:

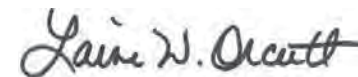

2020 was a year for the ages. In spite of 2020 being one of the most challenging years in our lifetime, thanks to you and the donors listed in this report, *Our Vision Is 2020* Campaign was completed successfully! Over the last 5 years, nearly \$8.5 million in charitable support was generated to help Self Regional Healthcare renovate its Childbirth and Surgery Centers. Although the Emergency Department renovation was temporarily placed on hold in early 2020, work on the Emergency Department is now underway.

Although the Covid-19 Pandemic prohibited us from recognizing the generosity of our donors in the normal fashion, that in no way diminishes the incredible gratitude we have for those listed in this report. We hope you will peruse this booklet with pride because Self Regional Healthcare wouldn't be the premier healthcare provider that it is today without the support of individuals, businesses, and family foundations that have stepped up and supported healthcare excellence in our community.

We invite you to stay in touch with us at www.selfregionalfoundation.org, on Facebook at **Self Regional Healthcare Foundation**. Healthcare is constantly evolving and we know that Self Regional has plans and needs in the months and years ahead. We will keep you informed on those plans and needs and hope that you will continue to do what you can do to help us meet this community's healthcare needs.

Thank you again for your past and ongoing support!

Sincerely,

Laine Orcutt, Chair

Ken Coffey, Executive Director

About Self Regional Healthcare Foundation

Self Regional Healthcare Foundation provides philanthropic support for new construction, renovations, service line enhancement, acquisition of new/replacement medical technology and scholarships to Self Regional Healthcare, a governmental not-for-profit, regional referral hospital that provides care for the residents of Greenwood, Laurens, Edgefield, Abbeville, McCormick, Newberry and Saluda Counties. Since the establishment of the Foundation in 1985, nearly \$40 million has been given to Self Regional Healthcare to ensure access to healthcare services, facilities and programs for the citizens of Greenwood and the Lakelands.

This publication reflects donations that were made in calendar year 2020.

MADAME CURIE
Society

The Madame Curie Society came about as a tribute to Madame Curie who was a daughter, a wife, a mother, a scientist and a physicist. She was a pioneer whose work led to the discovery of elements that are vital to the work hospitals perform every day. Her gifts to mankind have given physicians and nurses one of the most important weapons to diagnose, treat and fight illness, injury and disease: diagnostic imaging.

Moreover, her gift has endured through time, just as the gifts from our Madame Curie Society members continue to make a difference in availability of high quality healthcare in our community and the Lakelands region.

Levels and membership benefits

Invitations to join the Madame Curie Society are extended to those who accept the challenge to support Self Regional Healthcare through a single gift of \$10,000 or more, or through a minimum pledge of \$2,000 annually over a period of five years.

Membership Levels:

Diamond-\$100,000 Emerald-\$75,000 Ruby-\$50,000 Sapphire-\$25,000 Member-\$10,000

Planned Gifts

Through the years, the Self Regional Healthcare Foundation has been blessed with many benefactors who have created a personal legacy by supporting our healthcare programs and services through planned gifts.

The Legacy Circle program was established to honor those people, living and deceased, who have remembered Self Regional Healthcare Foundation in their estate plans. If you have made a provision for Self Regional Healthcare in your estate plan or if you would like information on how to do so, please let us know by calling the Foundation office at 864-725-4256 or by emailing kenneth.coffey@selfregional.org.

On October 22, 2020, the Foundation honored Legacy Circle members with a “Drive Thru” Recognition event in the parking lot at the Foundation office. Members were presented with a “swag bag” of Self Regional Healthcare Foundation items and Greenwood Chamber of Commerce dollars for use at local restaurants or other Chamber member establishments. Although this event was different than our annual recognition luncheon, we weren’t going to let the pandemic keep us from saying thanks to our Legacy Circle members.

Rocking Horse Honor Roll

Self Regional Healthcare Foundation created this program in 1994 thanks to a gift from the late Senator Strom Thurmond, whose four children were born at Self Regional Healthcare.

The Rocking Horse Honor Roll offers a special way to commemorate the birth of a child. With a gift of \$150 or more, newborns are honored with medallions on the wall of our Childbirth Center. Gifts to the Rocking Horse Honor Roll are earmarked for the Nancy Moore Thurmond Memorial Fund, which is dedicated to providing equipment and services for our Childbirth Center.

Doctors' Day Recognitions: 2020-2021

Over the years, an increasing number of patients have expressed gratitude for the care they've received by making a gift in honor of their doctor. National Doctors' Day, which is celebrated on March 30, provides a perfect opportunity to give a special thanks to physician/caregiver.

The donors listed below made a gift to demonstrate their appreciation while at the same time, making a tangible and meaningful impact on our ability to care for patients 24 hours a day, 365 days a year.

GIFT OF TRIBUTE

Tribute

The Gift of Tribute program, of the Self Regional Healthcare Foundation Annual Support Committee, remembers those who have had an impact on our lives. Gifts can be in memory of someone who has passed away, or can be in honor of someone who is celebrating a birthday, anniversary, graduation or wedding.

When you make a Gift of Tribute, you will receive a letter acknowledging your gift and the honored person or family will be notified of your thoughtful tribute. The amount of the gift is kept confidential. To make a Gift of Tribute on line, visit www.selfregionalfoundation.org and go to the “Giving to Self Regional” section where you may use your credit or debit card.

2020 Mid Winter Ball

The Self Regional Healthcare Foundation held its 32nd Annual Mid Winter Ball on February 29, 2020. This black tie event had more than 700 attendees who dined and danced under the big tent at the Greenwood Country Club. Being in a “Southern State of Mind” helped raise funds for the Foundation’s *Our Vision Is 2020* Campaign. Thank you to our sponsors and to all that came out for Greenwood’s social event of the year!

Proceeds from the Ball will benefit “*Our Vision Is 2020*” Campaign funding three mission critical projects: Renovation to the Childbirth Center, renovation and expansion of the Surgery Center and renovation to the Emergency Department.

Since its inception, the Mid-Winter Ball has raised more than \$3 million in support of Self Regional Healthcare.

Many thanks to our 2020 Sponsors and Patrons:

2021 Mid Winter Ball Self Regional Healthcare Foundation's Mid Winter Ball went Virtual in 2021

On the evening of Saturday, February 27, 2021 the Self Regional Healthcare Foundation hosted the “MASK-erade Midwinter Ball -Virtually...the Most Anticipated Fundraiser of the Year”. This year’s Mid-Winter Ball honored the challenges and sacrifices the pandemic has put on our community and on our healthcare workers. “The pandemic has caused a great strain on our personal lives as well as the lives of our healthcare workers and services so we are committed to maintaining the tradition of our signature fundraiser. Rather than being in-person, we went virtual - allowing us to offer the ball experience to many more people, while keeping everyone safe in the comfort of their own home,” said Ken Coffey, Executive Director of the Self Regional Healthcare Foundation.

“I want to thank our Ball Planning Committee: Hunter Bell, Elyse Bower, Hanna Dover, Laura Fleming, Ellesor Holder, Tom Jackson, Meredith Lloyd, Laine Orcutt, and Amy Pritchard. This incredibly talented and creative group made our Ball happen and successful. Of course, I want to also thank our Sponsors and all that participated in the event,” said Coffey

Typically a ticketed event, the Mid-Winter Ball was open to everyone and was live streamed. Utilizing an online bidding platform, the Virtual Ball included a wonderful silent auction with all kinds of unique items to choose from plus a live auction with a variety of exciting and one-of-a-kind experiences. Customarily, the Mid-Winter Ball fundraiser is a formal event with more than 600 people in attendance for dinner, dancing, and the silent and live auctions. “Shifting the Mid-Winter Ball to an online event is how many healthcare and not for profit organizations are adapting to the current climate while still staying true to the mission of raising funds for healthcare equipment and vital medical services,” said Coffey.

The live stream event featured a program, recognition of sponsors, a silent auction, a raffle with a cash prize, and a live auction conducted by an in-person auctioneer plus a few surprises. “Attendees” were able to view it from the comfort of their home using a smartphone, tablet, computer or live stream TV service. For the first time bidders were able to start early on the silent auction which was open a full week before the live stream event.

“For 33 years, the Mid-Winter Ball has relied on the generous support of people throughout our community and our loyal Presenting Sponsors – like Countybank, Greenwood Capital and Lonza – who all recognize the importance of local healthcare services and needs,” added Coffey.

Since its inception, the Mid-Winter Ball has raised well over \$3 million on behalf of Self Regional Healthcare. For more information, follow the Foundation on Facebook or visit the website at www.selfregionalfoundation.org.

Scholarships

Mary Ella Ruff Nursing Scholarship

The Mary Ella Ruff Nursing Scholarship is named in honor of Miss Ruff, a truly dedicated and exemplary Self Regional nurse. Miss Ruff dedicated her life to taking care of people and after working as a nurse for 35 years, she retired in 1978. Her co-workers established this scholarship in 1997 in her honor as one of the finest and beloved nurses.

This scholarship is awarded annually to persons enrolled in a certified nursing program in the state of South Carolina or to practicing nurses who are advancing their professional skills.

Self Regional Healthcare Auxiliary

We believe in quality service, performance excellence, a professional presence and the Self Regional's tradition of Excellence. Our vision is to complement the services of the departments and staff. Our volunteers are recognized as an essential and credible program within the hospital.

2020 was another successful year for the Self Regional Healthcare Auxiliary. Through the operation of the gift shop, special vendor sales, and the Lights for Love project, the Auxiliary has generated income that has enabled it to make substantial donations to the hospital to fund various projects and needed equipment that benefit all of our patients and their families. To date, the Auxiliary has given nearly \$2.2 million to Self Regional.

Lights For Love

Initiated in 1979, the Lights For Love Program is a holiday tradition at Self Regional and one of the larger fundraising activities of the Auxiliary. By giving to the Lights For Love program, individuals can offer a meaningful expression of sympathy, love and respect while supporting the patients and families. Donations will be used to support three special areas: The Cancer Center Angels & Hearts Program for patients completing chemotherapy/radiation treatments, the Silver Spoons Program for every newborn child at Self Regional, and the purchase of recreational supplies in Self Regional's Behavioral Health Unit.

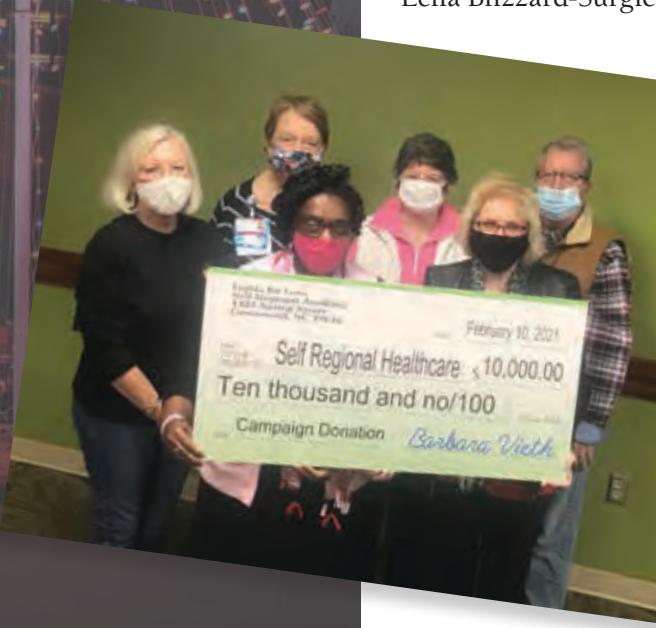

For more information about the Auxiliary, call (864) 725-4165.

Supporting Women's Health

Self Regional Healthcare Foundation Women's Health Classic

For five years, the Self Regional Healthcare Foundation was the title sponsor for the LPGA/Symetra Tour golf tournament held at The Links at Stoney Point. Titled the Women's Health Classic, this Symetra Tour event raised funds for women's health initiatives at Self Regional Healthcare.

As the primary beneficiary of the tournament, the Self Regional Healthcare Foundation received \$250,000 in support from the event to support community outreach services for Lakelands area women and their families. The proceeds from the tournament provided an avenue for women and their families to access health and wellness services in a non-traditional setting that is convenient, non-intimidating and affordable.

Memorium

During 2020, we lost these beloved friends and members of our Legacy Circle. Never in all the proud years of our future will these caring people be forgotten.

Mrs. Josephine Abney

Mr. Chuck Drake

Dr. Herbert Magruder

Thank you for your contributions

A Special Thanks...
We thank the following businesses and individuals for their generous donations of masks, gowns, gloves, shoe covers, medical supplies, ventilators, and food for our dedicated and courageous healthcare workers at Self Regional.

Heroes Work Here!

The South Carolina Hospital Association Healthcare Hero Truck made a stop at Self Regional for National Nurses week and National Healthcare Week. Each year the SCHA honors Healthcare and Nurses Week in special ways, and with the unique crisis we currently face due to the COVID-19 outbreak, they came up with the idea to take this state-of-the-art message display truck to hospitals across the state all week long.

On April 27th, Self Regional Healthcare team members, as well as other members of our community gathered to watch the SC Air National Guard's 169th Fighter Wing fly over Self Regional as part of the US Air Force's OPERATION: AMERICAN RESOLVE to salute healthcare workers and first responders on the front lines of the COVID-19 pandemic. Two Swamp Fox F-16 fighter jets flew over Self Regional and other area hospitals throughout South Carolina in an effort to boost morale for essential healthcare providers. Thank you to the SC Air National Guard for supporting our healthcare workers!
